

LENNOX' ELITE® SERIES

Home Comfort Systems

13GCSX

Efficient packaged unit for
virtually any application

HOME COMFORT SYSTEMS
Innovation never felt so good.™

Innovation never felt so good.™

Elite® Series 13GCSX Packaged Gas/Electric Unit

Dependable scroll compressor provides greater cooling efficiency

Efficient operation can result in significant energy savings*

Unique, Indoor Air Quality (IAQ)-ready design provides the option of a filter rack for a 1", 2" or 4" media filter for fresher, cleaner indoor air

Optimized for ozone-responsible R410A refrigerant, which meets the EPA's most stringent guidelines

Sleek, innovative cabinet design allows easy installation in almost any residential setting

Elite® Series packaged units combine gas heating and electric cooling in a sleek, innovatively designed unit. The streamlined cabinet condenses and controls airflow for consistent performance and comfort. Also contributing to the reliable operation is an exclusive, internally mounted fan that rotates smoothly, with minimal vibration.

RELIABLE PERFORMANCE. REMARKABLE COMFORT AND EFFICIENCY.

Elite Series packaged units not only keep you comfortable—they also save you money. The innovative scroll compressor (the unit's cooling engine) is up to 15% more efficient than conventional compressors, which translates to year-round savings on your utility bill. And the R410A refrigerant meets the EPA's most stringent environmental guidelines.

EFFICIENCY RATING
13.00 SEER (Seasonal Energy Efficiency Ratio) and **80% AFUE** (Annual Fuel Utilization Efficiency).

WARRANTY**
20-year limited warranty on the heat exchanger.
10-year limited warranty on the compressor.
5-year limited warranty on remaining covered components.

Comfortable Provides a high level of comfort and reliability

Elite Series packaged units offer legendary Lennox quality, along with outstanding performance and reliability. From the dependable scroll compressor to the durable, innovative cabinet design, these units are built to deliver exceptional comfort—season after season, year after year.

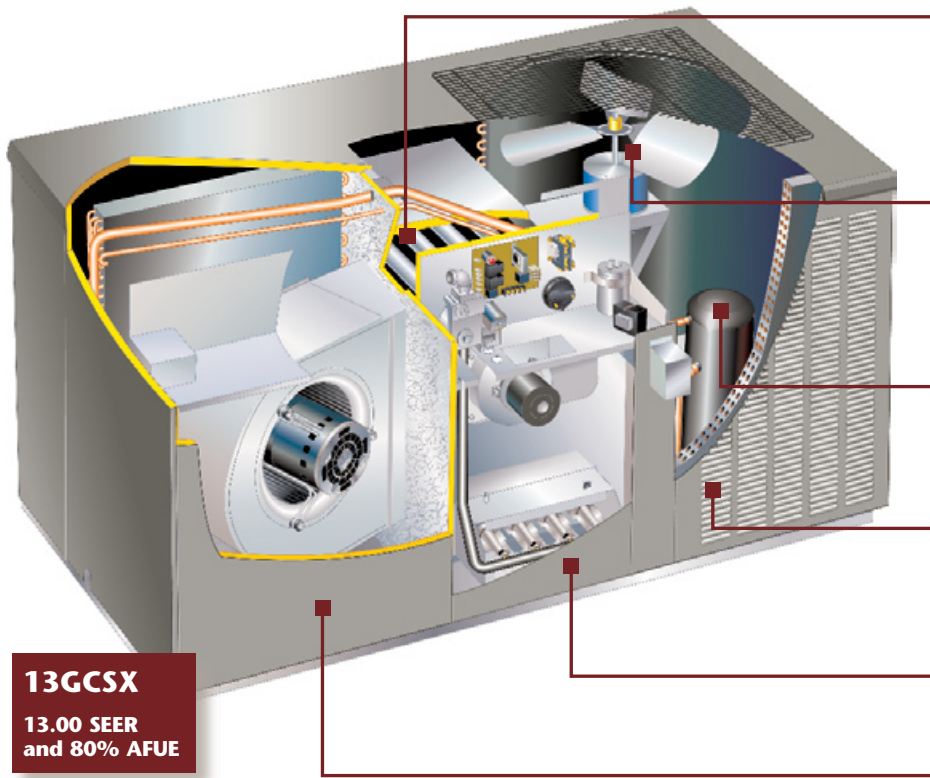

Efficient **Lowers your cost of living by reducing your utility bills***

With efficiency ratings of 13.00 SEER and 80% AFUE, Elite Series packaged units are designed to keep you comfortable all year long, while keeping energy costs down.

*Your actual savings will vary depending on the weather, local fuel rates, indoor coil and your lifestyle.

**Applies to residential applications only. See actual warranty certificate for details.

RELIABLE FEATURES FOR YEAR-ROUND COMFORT AND ENERGY SAVINGS

13GCSX
13.00 SEER
and 80% AFUE

- Tubular Heat Exchanger** – Provides excellent heat transfer and superior airflow control for years of efficient, reliable operation.
- Internally Mounted Outdoor Fan** – Significantly reduces operating sound (vibrations) and allows easier servicing.
- Dependable Scroll Compressor** – Provides reliable and efficient operation.
- Louvered Panel** – Protects the condenser coil, maintaining the efficiency of the unit.
- Easy-Access Control Panel** – Allows faster servicing.
- All-Metal Cabinet with Integrated Base** – Offers long-term durability, even in most harsh environments.

IAQ-Ready Design – Helps improve comfort and can be easily equipped with an internally mounted filter rack for a 1", 2" or 4" media filter for improved indoor air quality.

*Quality you can trust.
 Designed with reliable,
 time-tested components.*

Certification applies only when used with proper components as listed with ARI

Lennox is proud of the fact that these products have earned the Good Housekeeping Seal.

CUSTOMIZE YOUR COMFORT

Lennox® heating, cooling and indoor air quality products are designed to provide efficient, economical comfort—not only as individual units, but also together as an integrated system. This combined network of products delivers on every comfort count, from consistent temperatures and balanced humidity to improved indoor air quality. Lennox also offers a line of residential generators, which provide safe, reliable standby power in the event of outages.

DEALERS YOU CAN COUNT ON

Choosing the right dealer for your home's heating, cooling and air quality needs is every bit as important as choosing the right brand. We think you'll agree our independent dealers are a big reason you can count on quality customer service whenever you call. Your Lennox dealer's dedication to quality shows in his knowledge, training and expertise in designing the right system for your home, installing it properly and keeping it running perfectly for many years to come.
